

# STEP BY STEP INSTRUCTIONS

Plutia from Hyperdimension Neptunia

## Step 1

Step Into petticoat and pull up to waist.

## Step 2

Slide top bust corset over your head. Make sure your arms go through straps and under pink shoulder shawl and into the sleeves

## Step 3

With the help of a friend tighten the corset laces. Do not over tighten. Laces may loosen as costume is worn so you might need to tighten up laces towards the end of the day.

## Step 4

Adjust length of shoulder straps. Might need the help of a friend.

## Step 5

Locate Over Skirt and wrap it around your waist with laces in the front. Skirt should overlap the bottom of the corset.

## Step 6

Lace up over skirt so it is tight enough to stay in place at your waist. After tying in a bow weave the tails into the lacing so they will be hidden behind belt.

### Step 7

Wrap Belt around waist covering the top edge of the skirt. Clip the white clips together securing the belt around your waist.

### Step 8

Snap silver snap to secure the top of the belt buckle to the belt.
